

What to do after you are documented for a policy violation.

- Talk with your CA about what happened.
 - Read the policies in the Guidebook. Available online.
www.housing.umn.edu
 - Expect a letter/e-mail from the Assistant/Residence Director outlining alleged violations. The A/RD determines if policy has been violated.
 - Attend meeting with the A/RD.
 - Be honest about what happened. Accept that there may be positive or negative consequences for your choices.
 - Don't assume what the outcome will be.
 - Read the decision letter and complete any sanctions by the assigned deadline.
 - Failure to complete sanctions will result in further judicial action.
 - Don't let this experience shape your feelings about your experience living in university housing.
- * In some situations, incidents may have to be referred to the Office for Student Conduct and Academic Integrity.
